## CE Declaration of Conformity

We Spraymation Inc. declare that the industrial equipment products listed below:

**99201 and 307741** are a cold, high pressure, high speed fluid dispensing valve used to dispense adhesives or other fluids in industrial applications. See the following documents for full description, installation and operating instructions:

Model	Bill of Materials	Instructions
99201	BOM 99201 also on instructions	GR99200
307741	BOM 307741	GR99200

This item conforms to the following standards, directives or publications:

Standard	Date	Standard Title
EN-60204-1	2006	Electrical Equipment of industrial Machines
2006/95/EC	2006	Low Voltage Directive
2006/42/EC	2006	Machinery Directive

Spraymation is registered ISO9001:2008 by LGA, certificate #QM\_1891492 that expires on 1/12/2013.

CE mark is displayed on these items.

Design and Safety data are complete for this item, have been reviewed, are current, and conform to the standards and details listed above. The manufacturing and testing documents support and will maintain the indented design and quality.

Approved      David Kerzel  
Title            Chief Engineer  
Date Approved    February 19, 2010

This CE Declaration of Conformity may be used with new items until February 19, 2015 when the design, safety data, standards and directives must be reviewed.
